

Discover: How To Truly Thrive On Social Media It is amazing to see how much social media has grown over the years. In 2005, Facebook had 1 million users while Twitter, Instagram, Pinterest, Google+, and most of the top social networks weren't even in the picture yet. Now billions of people use social media, and it has become an essential tool for businesses to promote themselves and get more exposure. However, many business owners quickly realize that although creating social media accounts is an easy task, becoming successful on social media is challenging. Maybe you are a business owner who wants some of the following from social media: Reliable ROI Product sales Targeted, engaged audience Strong social proof
