

Filled with creative activities and grammar-busting tactics, Grammar Buster equips foreign language learners with all the tools they need to learn the language, while still keeping them in their comfort zone. Not simply about grammar, Collins Grammar Buster is about transforming attitudes towards language learning. Conventional methods go out the window as learners are encouraged to think outside the box, making it possible to master even the most challenging aspects of French grammar with a series of simple exercises. Rhymes and crosswords, mind maps and puzzles: these will not only dramatically improve written and spoken French but will increase learners confidence when approaching grammar in the future. From complete beginner to intermediate learners, Grammar Buster is the ideal companion for any language course. Divided into 30 colorful units, it tackles one grammar point at a time, reinforcing the basic principles with Tony Buzan's famous memory techniques and handy verb wheel to ensure that they are firmly fixed in your mind.
