

A history of heartbreak-replete with beheadings, uprisings, creepy sex dolls, and celebrity gossip-and its disastrously bad consequences throughout timeSpanning eras and cultures from ancient Rome to medieval England to 1950s Hollywood, Jennifer Wrights It Ended Badly guides you through the worst of the worst in historically bad breakups. In the throes of heartbreak, Emperor Nero had just about everyone he ever loved-from his old tutor to most of his friends-put to death. Oscar Wildes lover, whom he went to jail for, abandoned him when faced with being cut off financially from his wealthy family and wrote several self-serving books denying the entire affair. And poor volatile Caroline Lamb sent Lord Byron one hell of a torch letter and enclosed a bloody lock of her own pubic hair. Your obsessive social media stalking of your ex isnt looking so bad now, is it?With a wry wit and considerable empathy, Wright digs deep into the archives to bring these thirteen terrible breakups to life. She educates, entertains, and really puts your own bad breakup conduct into perspective. It Ended Badly is for anyone whos ever loved and lost and maybe sent one too many ill-considered late-night emails to their ex, reminding us that no matter how badly weve behaved, no one is as bad as Henry VIII.

Zum Werk von Kenichi Ohmae Was kommt nach der Globalisierung?
