

“In his latest e-book, *Make Your Life a Masterpiece*, David DeFord sets out many ways that you can turn your life around and turn failure to success, misery to happiness and hate to love. A motivational speaker and writer, DeFord has spent many years putting into practice the teachings of great successes such as Napoleon Hill, Dale Carnegie and Dr Norman Vincent Peale. Using a multitude of quotes and real-life examples, DeFord shows how everyone (and I mean everyone) can look at their own life, re-evaluate and make minor adjustments to make major improvements to their lives. He shows you that change is not the bad thing that many people think it is, and how you can embrace change to reach success in whatever you choose to do. Although I feel that I am successful in some aspects of my life, I know that I am not successful in others, and DeFord's new book has shown me ways that I can become successful in all aspects of my life. *Make Your Life a Masterpiece* is a masterpiece that should sit on the bookshelf alongside Napoleon Hill's *Think and Grow Rich*, Dale Carnegie's *How to Win Friends and Influence People* and Dr Norman Vincent Peale's *The Power of Positive Thinking*.
