

Church Slavonic, one of the world's historic sacred languages, has experienced a revival in post-Soviet Russia. Blending religious studies and sociolinguistics, this is the first book devoted to Church Slavonic in the contemporary period. It is not a narrow study in linguistics, but uses Slavonic as a passkey into various wider topics, including the renewal and factionalism of the Orthodox Church; the transformation of the Russian language; and the debates about protecting the nation from Western cults and culture. It considers both official and popular forms of Orthodox Christianity, as well as Russia's esoteric and neo-pagan traditions. Ranging over such diverse areas as liturgy, pedagogy, typography, mythology, and conspiracy theory, the book illuminates the complex interrelationship between language and faith in post-communist society, and shows how Slavonic has performed important symbolic work during a momentous chapter in Russian history. It is of great interest to scholars of sociolinguistics and of religion, as well as to Russian studies specialists.

The Ways of Ascent: (The Garden of Bliss), The American Jungle: The Adventures of Charlie Pierce, Wade Fishing the Rappahannock River of Virginia: Smallmouth Bass and Shad, The Coen Brothers, Second Edition, Oak Ridge Unitarian Universalist Church, Children of the Orphan Trains (Picture the American Past),
