

This new, all color magazine features a bottom-centric cavalcade of charming girls and ladies going over the laps of dominant women. Poignant paddlings, stringent strappings and over the knee spankings galore comprise this exquisite photographic collection from the vaults of Shadow Lane. Includes ten separate girl-spanks-girl photo spreads. All photos hand picked and captioned by Eve Howard, author of the Shadow Lane novels and director of Shadow Lanes video arm. Also features vintage Tarsis spanking art, which has long set the standard of beauty and taste in erotic illustrations. About the Editor: Eve Howard has edited some of the most iconic spanking magazines of the last thirty years, including Stand Corrected and The Art of Spanking. Eve is also the author of the Shadow Lane novel series, known for its sophisticated and irreverent approach to alt lifestyle romance. In the middle 1980s, when Eve began working on spanking magazines for adult publishers, there was little to captivate the intelligent and sensitive female reader and viewer. Shadow Lane soon began to film and print spanking erotica that women could enjoy. Eves first paperback publisher was Blue Moon, whose books were sold worldwide, while a series of tiny classified ads in the back of Cosmo for Eves books and videos, brought thousands of female spanking enthusiasts out of the closet for the first time. Eve is currently working on the next volume of Shadow Lane. Her most recent interview can be found in Different Loving Too, edited by Dr. Gloria G. Brame. Eve Howards blog appears regularly on the Shadow Lane website.
