

[Siren Classic: Erotic Romantic Suspense, light consensual BDSM, spanking, paddling, HEA] Ten years ago, James Braden was the leader of an elite covert unit of men that was involuntarily discharged from the army after receiving faulty intelligence. At loose ends, the men pool their resources and start Braden Security. James Braden is hired to get close to Avery Knotts. She is the only clue to \$2 million worth of missing drugs. A known drug lord wants them back, the Feds want them off the streets. At first glance, James knows in his gut she is innocent and decides to claim her as his own. While keeping her out of danger and staying one step ahead of the drug lords henchmen, James becomes too intimately involved with Avery. The other members of the firm step in to keep him on the straight and narrow as they try to ferret out the information. A charm bracelet gives them their first clue. Can James protect and keep her safe from everyone, even himself? \*\* A Siren Erotic Romance
